### Consent to Medical and Therapeutic Services

I consent to the procedures, which may be performed during the duration of this outpatient treatment, including emergency treatment.

I understand that those individuals who attend patients at this facility may include medical, Physical Therapy and other healthcare personnel in training who, unless requested otherwise, may be present during patient care or may provide care as part of their education.

I also understand that the rehabilitation process, by its very nature, involves certain inherent and unavoidable risks, including falls and other similar injuries, and that the only alternative to entirely avoid these risks would be to forego rehabilitation all together.

I certify that I have disclosed any and all health insurance coverage information. I understand that I am financially responsible for all charges whether or not paid by Medicare.

**For all other patients:** I understand that payment is due at the time of treatment via cash, check, MC or Visa.
